

**COVID-19 Policy**

We take the safety of our staff and patients very seriously. For this reason, we require all patients to reply to the following COVID screening questions listed below. You can either copy and paste the questions into an email with your responses or you can simply send us an email saying, "I have read the questions and confirm my responses are **NO** to all".

- Have you been in close contact with someone who has tested positive to the virus within the last 10 days?
- Are you currently awaiting the results of a COVID test?
- Have you returned from overseas or interstate within the last 10 days?
- Have you been in contact with someone who has returned from overseas or interstate in the last 10 days?
- Do you or anyone in your household have a fever (>37.5), are experiencing a cough, shortness of breath, loss of taste or smell, runny nose, sneezing or cold/flu - like symptoms?
- If you answer yes to any of the above questions, please call our office on 03 5970 5360 to discuss possible appointment changes or the option of telehealth.

**What is your current vaccination status?**

*Double vaccinate*

*Single vaccinated*

*Unvaccinated*

Please also note our new **COVID vaccination** policy.

All patients who attend our rooms must be **double vaccinated**.

If you have a **medical exemption** or choose to not be vaccinated you may be offered an initial telehealth appointment, or appointment by the end of the day.

You will need to have

- A negative COVID-19 rapid antigen test (RAT) COVID Test on the day, prior to any face-to face appointment.
- You must also wear an N95 mask all the times during your stay at our practice.
- 

Please call our office on 03 5960 5970 should you have any questions.
